This table shows all of the companies included in the Data & AI landscape, which **Matt Turck published on his blog (https://mattturck.com/data2020/)**. This project was undertaken by **@mattturck (https://twitter.com/mattturck)**. I'm **@dfkoz (https://twitter.com/dfkoz)**.

There are 1479 Data and AI companies included on the current version of the landscape. Over 200 of these companies have spoken at communities we organize, **Data Driven NYC (http://www.meetup.com/NYC-Data-Business-Meetup/)** and **Hardwired NYC (http://www.meetup.com/hardwired-NYC/)**.

To filter this list, simply type any filter (e.g., "IPO" or "Analytics" into the search box.)
